FAIM 2025 SPONSORSHIP OPPORTUNITIES

The Flexible Automation and Intelligent Manufacturing (FAIM) International Conference is a premier platform for innovation in automation and manufacturing. Hosted by Binghamton University's School of Systems Science and Industrial Engineering (SSIE), FAIM 2025 will connect leading academics, industry professionals, and decision-makers from around the world.

By sponsoring FAIM 2025, you will:

- Engage with an international audience of industry leaders and innovators.
- Increase brand recognition in the field of intelligent manufacturing and automation.
- Demonstrate leadership in supporting research and knowledge-sharing that shapes the future of manufacturing.

SPONSORSHIP TIERS

We offer flexible sponsorship options to meet your partnership goals.
